Dear Jerry;

I recd your letter mostly glad to hear everything is allright. I also heard from O. B. Stone he said he would be up Saturday. I told you in the last letter that you didn't half to talk to Jimmy yet but I guess it wouldn't hurt anything what I was gone to do was wait until I found out when Stone would be here but now I no, I guess you know this case is getting kind of complicated plus they have the trial date set for Nov. 12 and I don't think Hines can do everything that's got to be done. what I would like for you to do is decide

talking to Thomson is to send me his phone no. + address as a Con write to him + explain the circumstances of the case to him. Take it easy.

Jim
